

HSM Zamecki GmbH · Robert-Lück-Str. 1 · 12169 Berlin

To our business partners

Berlin, 20<sup>th</sup> May 2016

**REACH Statement**  
**Information about substances of very high concern (SVHC)**

Dear Sir or Madam,

HSM Zamecki GmbH imports amongst other parts, products like active and passive CPU coolers, cables, connectors, coils and transformers. To our customers we underlie the information obligations pursuant to Art. 33 of the REACH regulation, as far as in products delivered by us, a substance of very high concern (SVHC) is contained in a mass concentration higher than 0.1 percent.

The list of SVHCs is continuously updated and published on the website of the European Chemicals Agency (ECHA): [http://echa.europa.eu/chem\\_data/authorisation\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp).

From today's perspective and according to the information provided by our suppliers it can be assumed, that there are no SVHCs in a mass concentration of more than 0.1 percent in our products. If we receive an otherwise information from our suppliers, we will inform you immediately.

HSM Zamecki GmbH is anxious to provide only safe materials and products, to keep on guaranteeing a high environmental compatibility in future.

If you have any further questions on this topic, we are always at your disposal.

Best Regards

HSM Zamecki GmbH
